# THE CHELTENHAM DREAM COME TRUE...

The 2019-20 season is certainly one that will go down in the HWR history books. Returning home with a 1 – 2 – 3 from the only 3 horses we sent to The Cheltenham Festival truly was what dreams are made of. It was also fantastic to record our best win tally of 30.

We kicked off the early part of the season nicely with 5 winners in May. Course specialist Sirobbie got the ball rolling at his favourite haunt Uttoxeter at the opening fixture and from there on he was able to notch up a nice run of victories through the summer months. We had a great string of Summer Jumpers who really proved themselves last year including the likes of The Kings Baby who won back to back, yard favourite Salto Chisco who also scored on a number of occasions along with gutsy, 3-time winning mare Henrietta Bell.

Rouge Vif was the first of the winter string to strike on his debut over fences as we headed into October, which soon rolled into one of the wettest winters we have seen for a long time. Even with the wind howling through Hill Barn it didn't dampen the teams' spirit and drive, with a constant flow of winners.

The landmark day of that period has to be seeing Saint Calvados battle his way through Somme-like conditions up the Cheltenham Hill to take home the Randox Health Handicap Chase. This was our first winner at the course and the 16th winner for the campaign. We were away and our Cheltenham curse had been well and truly washed away!

In to November and Simply the Betts made an immediate impact with 2 smart victories over fences, clearly showing further improvement for the larger obstacles. The sky was the limit at that stage, so we had to dream big.

With the busy Christmas period fast approaching and Festival anticipation building, we were kicking on in to the New Year, during which time Young Bull managed to notch up a trio of nice victories over hurdles.

The New Year rolled in and with news of coronavirus hitting China, and then slowly spreading across the globe, we had to put those thoughts aside as Rouge Vif brought home the Grade 2 Kingmaker at Warwick in early February.

We were now level with last seasons' tally on 26 winners, but it wasn't long before Lantiern notched up another nice all-weather victory at Wolverhampton, proving his versatility and rewarding his loyal connections. This gave us the all important turbo boost just 3 weeks before the Festival. So off we went with high hopes and optimal enthusiasm.

When the first of the 3 runners, Rouge Vif, finished an admirable 3rd in the Grade 1 Racing Post Arkle Novices' Chase on the opening day of the contest nerves were settled and the mood in camp remained positive for the rest of the week. Just 2 days later in the Grade 1 Ryanair Chase stable star Saint Calvados looked to have every chance as he battled gamely up the hill against the Willie Mullins trained Min, going down by just a neck to finish 2nd. With mixed emotions we remained resolute in thinking that all of our luck had been used up for the week or even year...

However just 2 hours later the roar of the HWR tribe along with most of the punters on the grandstand could be heard from the racecourse in Prestbury Park all the way to the mast at Sparsholt Firs as we cheered home our first ever Cheltenham Festival winner - Simply the Betts.

We couldn't have wished for a better finish to the most unforgettable season. Patience and hard work well and truly rewarded not only for the whole team of staff but our brilliant owners too, without whose support we would not have been able to scale these great heights.

Having been on cloud nine we were brought back down to earth with a bump the following week when the country was plunged into lockdown and racing was put on hold. We were however fortunate to squeeze just 2 more nice winners in to round off the campaign; Medalla de Oro first time out over hurdles under the capable hands of yard conditional Jamie Neild and Shantou Vow at Southwell on the penultimate day of racing in the UK for some time.

Although the season did come to an abrupt end we can look back with pride in all of our achievements. But most importantly we are extremely grateful to our fantastic team of loyal owners and incredible staff. We can't thank everyone enough for sticking by us particularly during very testing times these past few months, and we are looking forward to this winter very much.

This winter we will of course be hoping to continue to build on last seasons' successes and take HWR to the next level.

Thank you all. Now let's keep kicking...

2020-2021 SEASON

## ANEMOI (FR)

2014 Gelding by Manduro (GER) ex Recambe (FR)

Kate & Andrew Brooks

Decent novice hurdler the season before last (2018-19) who has been off the track for a long time since. He is a talented gelding who is a half-brother to smart performer on the flat Laurens, and we are looking forward to getting him back on the racecourse soon. He will most likely stick to hurdles this season, but he has the option to go chasing as well as running on the flat.

## ARTISTIC LANGUAGE

2016 Gelding by Archipenko (USA) ex Kiswahili

ValueRacingClub.co.uk

New recruit to the yard for the coming season who has run 4 times in juvenile hurdles this winter finishing 2nd on 2 occasions. He has so far shown a good attitude on the gallop and we are looking forward to getting him on the track. He is still a maiden over hurdles so will have the option to run in novice hurdles as well as handicaps.

## BIGMARTRE (FR)

2011 Gelding by Montmartre (FR) ex Oh La Miss (FR)

Mr P J Dixon & C Nash

A wonderful servant to the yard over the past few years, this is a hugely popular horse amongst the team. Having won a total of 7 races during his career to date, now at the grand age of 9, he still loves the game. He is set to start the season on what we feel should be a workable mark of 140, and will again contest handicap chases up to 3 miles.

## BLACK ABBEY (FR)

2016 Gelding by Hannouma (IRE) ex Alta Stima (IRE)

Black Abbey Partnership

4yo Juvenile hurdler last winter who was purchased at the Arqana Sale in November. He is a tough little horse who has finished 2nd on 2 occasions for us and starts this season off a mark of 117. He still retains his status as a novice and will most likely start in a maiden hurdle or a handicap in the Autumn. We will most likely stay over hurdles with him this season.

# When the conditions are unpredictable you need a watch that isn't.

900 feet below sea level is no place to find out that your watch won't function at 900 below sea level.

That's why every Bremont watch is ruthlessly engineered to be fit for purpose. However extreme that purpose might be.

Anywhere you can go, a Bremont can go too. And usually further.

Your Bremont is probably tougher than you are.

### BOOLEY BEACH (IRE)

2016 Filly by Valirann (FR) ex Booley Bay (IRE)

Harry Whittington & Partners II

Quality un-raced 4yo filly by Martaline who has shown plenty of ability at home since we sourced her at the store sales last summer. She is a fabulous mover and is a half sister to a Grade 1 placed horse in France. We turned her away last season without running her, to give her the opportunity to mature more mentally. She will be aimed at mares' bumpers this season.

### BRAVE KINGDOM (FR)

2016 Gelding by Brave Mansonnien (FR) ex New Foundation (IRE)

Graeme Moore, Kate & Andrew Brooks

New recruit to the stable this season. This sizeable 4yo finished 3rd on just the 1 start in a Irish point-to-point before joining the stable this summer. He is a lovely, scopey type with a huge amount of quality, and is every inch a chaser for the future. He will start off in novice hurdles this Autumn.

### BREAKING WAVES (IRE)

2014 Gelding by Yeats (IRE) ex Acoola (IRE)

Colin Peake & Julie Slater

New recruit to the stable for the coming season, this 6yo son of Yeats was a high-class bumper horse and is a 131 rated hurdler. He won on his 2nd start over fences at Exeter back in January and has plenty of size and scope so should make a fine staying chaser.

### CAPTAIN TOMMY (IRE)

2014 Gelding by Court Cave (IRE) ex Freemantle Doctor (IRE)

Mr Richard J Gurr

Dual winner for the yard over hurdles who also finished placed in a Listed race as a novice. He ran well in the Pertemps qualifier at Cheltenham earlier this season and has since gone chasing this Summer, showing plenty of potential in this new sphere. He has plenty of scope and we look forward to seeing what he can do in novice handicap chases through the Winter.

### CATELINE (IRE)

2015 Mare by Martaline ex Kitara (GER)

The Atkin Family

5yo Martaline mare from a very good family. She ran in 3 bumpers this Winter finishing an eye-catching 4th on her final start at Newbury. She then schooled extremely well before we turned her away for a Summer break. We will start her off in novice hurdles this Autumn, and we are hopeful she can continue to mature and progress.

### DARGIANNINI (IRE)

2014 Gelding by Fame And Glory ex You Take Care (IRE)

Dominic Burke & Kate & Andrew Brooks

5yo Fame And Glory gelding who is a half-brother to Keeper Hill. He is a fine, rangy type who is made for chasing in the future. He was ready to run in April before racing got put on hold, but he will now be aimed at a bumper before going hurdling in the early Autumn.

2016 Gelding by Muhtathir ex Rosee Matinale (FR)

R J & R Marley Limited and Oaks Farm Stables Limited

### EMERGING FORCE (IRE)

2010 Gelding by Milan ex Danette (GER)

Webb Holt Carpenter Tucker

Long-standing member of the team who has now returned to training after a long time off through injury. He was very successful for the yard as a young horse and we are really excited to have him back. We may start him off in a hurdle race, but as a decent chaser he will hopefully be able to contest some of the better races during the Winter.

Kate & Andrew Brooks

5yo gelding by *Trans Island* who won an English point-to-point on debut before being purchased at the Cheltenham Sale in January. ## 2020-2021 SEASON

### SEE THE EAGLE FLY (IRE)

2017 Filly by Free Eagle (IRE) ex Glassatura (IRE)

Sullivan Racing

3yo chestnut filly who has recently been sourced privately with the intention of going juvenile hurdling this Winter. She went very close 2 starts ago on the flat in Ireland and stays a mile and a half well. She is an athletic sort and an exciting prospect for these new connections to enjoy this season.

### SERGEANT O'LEARY (IRE)

2016 Gelding by Milan ex Fuel Queen (IRE)

Incitatus

4yo Milan gelding who showed promise in a bumper last October. He's unfortunately had a few minor setbacks since then. We are hopeful that things should start to fall right for him and he can reward the patience of his connections. He will now run in another bumper before going novice hurdling.

## 2020-2021 SEASON

### SAINT CALVADOS (FR)

2013 Gelding by Saint des Saints (FR) ex Lamorrese (FR)

Kate & Andrew Brooks

One of the key flag bearers for the stable who had an excellent season upped in trip to 2.5 miles. Having won impressively on debut in October at Cheltenham, he finished off his season going down by just a neck to the battled hardened Min in the Grade 1 Ryanair at the Festival. He will most likely step up again to 3 miles this winter, and we look forward to running him in more prestigious races.

### SHORE SHANTY (IRE)

2015 Filly by Shantou (USA) ex Close To Shore (IRE)

A Holt, J Robinson, I Macnaab & C Clark

Full sister to stable mate Henrietta Bell. She ran with a huge amount of promise in her 2nd bumper in February to finish 4th of 15 on debut. She will most likely head for another bumper in October before going novice hurdling for the rest of the season.

## HORSES IN TRAINING 2020-2021 SEASON

### SHAMBRA (IRE)

*2014 Filly by Clodovil (IRE) ex Shambodia (IRE)*

Pali Pali Syndicate

New addition this summer, she is an athletic type rated 120 over hurdles. She is a tough and consistent mare who appreciates soft ground. We will aim to start her off over hurdles or a chase at 2.5 miles before potentially stepping her up to 3 through the season. She has plenty of scope so could hopefully improve for a fence.

### SHE'SONEOFFOUROWN (IRE)

*2016 Filly by Sageburg (IRE) ex Seavelvet (IRE)*

Graeme Moore, Kate & Andrew Brooks

Tall, athletic Sageburg filly who has run in 2 bumpers since joining us this Winter. She shaped with plenty of promise on debut and will appreciate obstacles, so we will most likely start her off over hurdles in the Autumn.

## HORSES IN TRAINING 2020-2021 SEASON

### STICK WITH BILL (IRE)

2014 Gelding by Oscar (IRE) ex Made In KK (IRE)

Kate & Andrew Brooks

Bumper winner who has also won 2 hurdle races for the yard. He ran well in the Grade 1 Challow Hurdle at Christmas time, before an impressive victory at Sandown later in the season. He has huge potential to go chasing this season off a mark of 132 which should be workable in novice handicap chases.

### SIMPLY THE BETTS (IRE)

2013 Gelding by Arcadio (GER) ex Crimson Flower (IRE)

Kate & Andrew Brooks

Last seasons stable star who won 4 out of his 5 chase starts before winning the Brown Advisory at the Cheltenham Festival. He is now rated 157 and will start off in a graded handicap chase this Autumn which could be either the Old Roan or the Bet Victor. He is a genuine tough gelding who has an exciting future ahead of him.

2020-2021 SEASON

## SO EASY WAY (IRE)

2016 Gelding by Sageburg (IRE) ex No Easy Way (IRE)

Kate & Andrew Brooks

4yo Sageburg gelding who was a chase winner as a 3yo in France. He is an extremely strong type physically and is likely to go chasing here in the Autumn. He has the benefit of the weight allowance over the big obstacles, so this obviously looks an attractive angle to go down with him.

## SHANTOU VOW (IRE)

2015 Gelding by Shantou (USA) ex Holy Vow (IRE)

Holt, Carpenter, Peters, Macnabb, Webb

5yo dual novice hurdle winner for the yard now rated 123. He was slow initially to come to hand before progressing nicely last season. He has done well for a summer break and we will school him over hurdles and fences before deciding what the plan is for the Winter.

2020-2021 SEASON

## SHEILA NASH (IRE)

2015 Mare by Flemensfirth (USA) ex Hollygrove Rumba (IRE)

Mr Chris Nash

5yo mare by Flemensfirth out of a half sister to grade 1 winner Captain Cutter. She ran with plenty of promise in her 2 bumpers this winter, getting narrowly beaten on the second start. She is now set up to go novice hurdling in the Autumn.

## SIROBBIE (IRE)

2014 Gelding by Arakan (USA) ex Presentbreeze (IRE)

Mr Richard J. Gurr

4 time winner for the yard who did extremely well over hurdles last summer cleaning up at his favourite track Uttoxeter. He has now started off a chase campaign this summer, so far running with plenty of credit and shaping with promise in this new sphere.

## SIMPLY STRAWBERRY

2017 Gelding by Kayf Tara ex The Strawberry One

The Kykie Allsopp Partnership

Rangy 3yo gelding by Kayf Tara out of a multiple winning Mare. He did a bit of work on the gallops at Hill Barn this Summer and there is plenty to like about him. Due to his size he will most likely be seen at the back end of the winter in a bumper.

## SIR SHOLOKHOV (IRE)

2015 Gelding by Sholokhov (IRE) ex Menepresents (IRE)

Mr Simon Munir & Mr Isaac Souede

New addition to the yard, this good-looking son of Sholokhov is a debut point-to-point winner from Ireland. He is a sizeable individual with a huge amount of quality and is very much a chaser in the making. He covers an enormous amount of ground, and we will keep him to galloping tracks in novice hurdles through the Winter.

## 2020-2021 SEASON

### UN-NAMED GELDING BY CALIFET

2016 Gelding by Califet (FR) ex La Feuillarde (FR)

Harry Whittington & Partners II

Big quality type for the future who is a half brother to Drop Out Joe. He showed us plenty of ability at home through the winter and was ready to run in April when racing got put on hold. He has a bit of class about him so we are looking forward to running him in the Autumn.

### UN-NAMED GELDING BY MULTIPLEX

2017 Gelding by Multiplex ex Clover Dove

Guy & Liz Prest

3yo Multiplex gelding out of successful family. This gelding was broken in at Hill Barn this Summer and was very quick to learn his job. He is straightforward and shows a tough attitude. He will most likely be ready for a bumper in the Spring.

### WILLY CHASE (IRE)

2016 Gelding by Sageburg (IRE) ex Endless Ambition (IRE)

Kate & Andrew Brooks

4yo by Sageburg who has joined us this Summer. He is big, strong, quality type. We will start him off in a bumper in the Autumn, before deciding whether to stay in bumpers or go novice hurdling.

### WARRANTY (FR)

2017 Gelding by Authorized (IRE) ex Ballymena Lassie

The Guaranteed Success Syndicate

New addition to the yard this Summer, this gelding has been purchased with a view to going juvenile hurdling. He has run a few times on the flat for previous connections, putting in one impressive run over 2 miles on his last start. He is by a fantastic National Hunt stallion in Authorized, and has loads of scope so is an exciting prospect for the juvenile department.

### WATERLEFE GETAWAY (IRE)

2016 Filly by *Getaway (GER)* ex *Lucky Start (IRE)*

HoltMacnabbClarkJeffreyMiltonRobinson

4yo Getaway filly who finished 2nd on bumper debut this Summer. Despite displaying signs of being very green on that occasion she showed plenty of ability towards the end of the race. She has since been schooling over hurdles but will most likely have one more start in a bumper before going novice hurdling this Winter.

### YOUNG BULL (IRE)

2014 Gelding By *Dubai Destination (USA)* ex *Jane Hall (IRE)*

Nash & Webb

Progressive in novice hurdles last Winter winning 3 out of 5. Now off a mark of 133 he's ready to start off in novice handicap chases in the Autumn. We always thought he would make a decent chaser so we can't wait to see what he can do over the bigger obstacles.

**HAYGAIN** with **HARRY WHITTINGTON**  
RACING  
TAKE THE LEAD

“ Respiratory health is key for racehorses and we take it incredibly seriously here at Harry Whittington Racing. I was first introduced to Haygain hay steamers in my pre-training days when we were operating as a satellite yard for my neighbour Nicky Henderson who uses them. We have two on the yard now and with over 50 horses in training, each getting steamed hay on a daily basis, they are in constant use!

We are always looking to gain extra margins in the performance of each horse so attention to detail is the name of the game. Racehorses are required to expend huge amounts of energy and we need to ensure they are in optimal health to win races. Haygain is the only scientifically proven way to purify hay. The use of the steamers enables us to remove 99% of the dust particles, mould, fungi and bacteria that can cause irreversible damage to a horse's respiratory and digestive health.

Feeding steamed hay also delivers other health benefits including digestion and hydration which all lead to improved performance. Haygain steamed hay keeps the horses on track –

it's a winning combination. ”
